OFFICE OF PETITIONS

Sir:

The Applicants make this petition under 37 C.F.R. § 1.181(a) to withdraw the holding of abandonment in this case. The Notification of Abandonment, mailed November 3, 2005, states that the Applicants failed to respond to a Notification of Missing Requirements.

As explained in the attached Statement that the Supplemental Declarations Satisfy 37 C.F.R. § 1.497(a)(3), the Applicants timely filed Supplemental Declarations, which responded to the Notification of Missing Requirements, but the USPTO has no evidence of receiving them. Accordingly, this petition is based on 37 C.F.R. § 1.8(b), which lists criteria for determining when a response mailed to but not received by the USPTO is considered timely filed:

PROMPTNESS

This petition is being made promptly after the Applicants learned that the USPTO has no evidence of receiving the Supplemental Declarations. 37 C.F.R. § 1.181(f).
